3. The product is only warranted in the event it is installed in accordance with the Transpa Forza written instructions enclosed with the product.
4. The product is not warranted in the event it has been improperly anchored.

PREPARATION OF GROUND

Before Starting Assembly

This carport must be assembled on a solid base,

Choose your site carefully before beginning assembly. Site surface (mainly below poles) needs to be level.

The carrier profiles must be buried in pits, anchored and should be filled with concrete

1 Preparation of the assembly ground area

Prepare the fixing hole to the ground 50x50x50 cm

Once you have gauged fill with concrete the holes
